

We work at the heart of organizations' biggest moments

Breadth. Experience. Impact.

M Public Relations (mPR) — a national independent PR partner to fast-growth public and privately held clients — has been entrenched with organizations from seed funding to repositioning to IPOs and public exits for more than 10 years. Our highly diverse, 100% senior-level team is fanatical about your success and has deep, unmatched experience delivering impactful results for partners who are bold game-changers in their industries.
